

# Best Buddies December Outing

November 27, 2017

Dear Parents/Guardians & Best Buddies Members,

Our next outing is planned for Thursday, December 15<sup>th</sup>. Below is the outline of events for this day:

- We will have a meeting after school from 2:30 - 3:30 p.m.
- Bus will pick up those attending the outing at school at 3:45 p.m.
  - Peers who can drive can follow us and not use bus transportation.
- Shopping at the mall from 3:45-5:15
  - Students may bring their own money or just window shop
  - If a student is planning on shopping for Christmas presents and will require assistance, please send in a note explaining who, what, and where the student will be shopping for.
  - **Please note that there are not enough adult chaperones to accompany every student attending – the students will be walking around with their peer buddies. Use caution in determining if this is an appropriate event for your student.** Those students with the highest needs will be the first priority in determining where adult staff will be allocated.
- Load bus and drive over to Culvers (arrive by 5:25 - 6:00) for dinner (money required)
  - Again, if a student will require assistance ordering their food (due to verbal limitations), please send in a note detailing what his/her order should be (menu can be found online)
- **PARENT/GUARDIAN** pick up at Culvers at 6:00
  - The bus will **NOT** be bringing us back to school; pick-up is at Culvers
  - Culvers is on the corner of Route 59 and 75<sup>th</sup> Street, in front of the Hobby Lobby and next to IHop.

The attached permission slip is due no later than Monday, December 11<sup>th</sup>. We will not accept any permission slips after this date as we need to plan on correct numbers for the bus and to make groups for the mall.
